RE: Courtney for Congress (C00410233)
Amended 30 Day Post-General Report.

Dear Ms. Palmer:

This is in response to your letter of December 21, 2006 regarding amending the 30 Day Post General Report (10/19/06-11/27/06).

Your letter raises concerns about an aggregated cycle to date total for a Mr. James Kingston. Due to a software glitch, the aggregate election cycle-to-date total for Mr. James Kingston appeared blank. The total for the 2008 contributions received during this report period total \$4,200. The problem has been fixed on the amended report.

You expressed concern that the Committee may have failed to file one or more 48-hour reports. Regarding the alleged missing 48 hour disclosure reports, a partnership contribution from Extell 26 LLC was erroneously reported on the 48 hour report as being from Gary Barnett and Lela Goran, who are the partners in Extell 26, LLC. The error was corrected on the Post-General Filing to reflect a partnership contribution.

Finally, you noted discrepancies between amounts reported on certain 48-hour reports and amounts shown on the Amended 30 Day Post-General Report. Please note that the \$1,100 contribution from Anne Hess was reported on October 30, 2006, under Filing FEC-254763. Terri Pauls and Connie Hershey's respective \$1,000 contributions were filed on October 25, 2006, under Filing FEC-252162.

Please note that due to a software error, the disbursements for credit card for the November 3, 2006 credit card payment of \$3,637.58 were omitted from the 30 Day Post-General filing. The error has been corrected.

Also note that the contributions received on October 13, 2006 from Anne Bartley, Brian Beitner, Robert Estrin, Susan Helm, Brewster Perkins and Mary Wolff were erroneous reported under the 2002 cycle. The error has been corrected.

Sincerely:
Tim Poloski
Deputy Treasurer
